Magistrate Stephen C. Dries

Re: Hannah Priddy v. Dr. Noah's Ark Veterinary Clinic et al
E.D. Wis. Case No. 22-CV-0474

Dear Magistrate Dries:

I represent the Plaintiff in this matter. A scheduling conference is set for tomorrow morning. I apologize for the delay in sending this.

Attorney Staubach and I discussed the intervenor's complaint and desire to file a motion for no coverage. Plaintiff does not object to this filing of this motion, as it does not make sense to conduct extensive discovery if the end result is no insurance coverage. Therefore, we believe that during the call tomorrow, the Court should set a briefing schedule on the motion that State Farm intends to file.

Very truly yours,
